These questions are provided for your reflection and application of the sermon. Thoughtfully writing out the answers to these questions will help drive home the point of the study. It is also helpful when you are able to discuss your answers with others. For more information about Community Groups at Reliance that utilize these questions as the basis for their weekly discussion, please email us at info@reliancechurch.org or visit us at www.reliancechurch.org/communitygroups.

Before answering the questions, spend some quiet time with the Lord. Reflect on His character and heart. Pray and ask God to prepare your heart to hear from Him.

- 1) Re-read this week's passage in a different Bible translation than you're used to and reflect on the major points of the sermon. Which verse(s) and/or sermon point(s) ministered to you the most and how were you encouraged to better know, love, and serve Jesus?

- 2) What specific ways am I tempted to allow my emotions to dictate my behavior?

- 3) What are my natural strengths that I tend to rely upon?

- 4) What are my motives for following Jesus?

- 5) Does the way I treat others identify me as a follower of Jesus? In what ways, in my treatment of others, do I damage my witness?
