Tips, Tricks, & Guidelines:

- Pack Light! There is limited room for transportation
 - One bag/suitcase per person in addition to sleeping bag/pillow
- Games/Activities are recreational, outdoors, and active – bring clothes/shoes that you are OK with getting a little dirty.
 - Comfortable “active-wear” type clothes are best
- Label all your luggage and items (name, church, address, phone number)
- Make sure you can carry all your own luggage
 - You are responsible for your luggage – it’s up to you to ensure your luggage reaches the intended destination, never assume someone else has loaded your bags!
- Pro Tips:
 - Roll your pillow and towel inside your sleeping bag to save room in your suitcase
 - Write your name in your Bible
 - Use a suitcase or duffel bag. Trash bags make for *horrible* luggage
 - A shower bag and shower shoes are a great idea.
 - Reusable water bottle, with your name or some other markings – drinking fountains are available but are few and far between
 - Bag for dirty clothes
 - Bring one towel for the shower, one for the pool
